**Notes –**

- All prices include delivery and collection and are **plus VAT**
- We can deliver trees before 3<sup>rd</sup> December but cannot guarantee the tree will survive until Christmas. We are sorry that we can not give an exact delivery time as the rotas are organised on a daily basis.
- Lights – each set of lights requires its own socket, unfortunately we cannot provide extension leads for health and safety reasons, we recommend that a circuit breaker is fitted. All lights supplied will have different settings & be PAT tested.
